Hetauda, Makawanpur, Nepal
Email: swikarpaudel26@gmail.com

EDUCATION

- **Advanced College of Engineering and Management**
Bachelor of Computer Engineering

Tribhuvan University
April 2022 – Present

- **Kathmandu Model Secondary School**
Major: Physical Science

High School
July 2019 – July 2021

SKILLS SUMMARY

- **Languages:** C, C++, Python and, MATLAB
- **Proficiencies:** Computer Vision, Medical Imaging, Deep Learning, and Machine Learning
- **Frameworks:** Pytorch, OpenCV, Keras, Numpy, and Tensorflow
- **Database:** SQLServer and Oracle

PROJECTS

- **Enhancing Ophthalmic Diagnostics using Unet for cataract detection** 2025
Medical Imaging
 - In this project work, the main theme for this experiment is to detect cataract from the mask segementation of cataract labled using Cvat
- **Interactive Financial Dashboard** 2025
Live Demo: [Live Dashboard Demo](#)
 - This project showcases data engineering, API integration, and front-end development skills.

EXPERIENCE

- **Project Association for Computer and Electronics Engineering(PACE) Club** 2023-2025
Member
- **Aarambha Technical Exhibition** 2024
Protobyte Hackathon
 - Event Coordinator of the Protobyte Hackathon event in Aarambha Technical Exhibition
- **Workshop** May 23, 2024 - June 2, 2024
LaTex Workshop
 - Parcipant on Eight days “Workshop on LaTe \backslash X” organized by the AI Research Center, Advanced College of Engineering and Management
- **IIT Techfest Zonal Selection** Kathmandu, Nepal
Meshmerize
 - First runner up in Meshmerize: A maze solving Robot event
- **Science, Engineering and Technology(SET)** 2024
SET Conference
 - Contribution on 5th National Conferece as Volunteer organized by Advanced College of Engineering and Management
